

Daryl Miller  
CCAP President  
Bradford County

I am honored to invite you all to the 2022 Annual Conference in the city of Lancaster, Lancaster County. The theme for this year's conference is *Explore the Past, Look to the Future*. How fitting to hold this year's Annual Conference in Lancaster County. Lancaster County has played an instrumental role in our association as the home county of the first chairman of the association, which later became County Commissioners Association of Pennsylvania (CCAP). W.W. Griest from Lancaster County served as our first chairman in 1896.

Lancaster is a great place for our Conference with its rich history and culture, the opportunity to experience a diverse variety of shopping, sightseeing, and the chance to experience history up close. I hope you take the opportunity during free time at the Conference to enjoy all that Lancaster has to offer.

The CCAP Annual Conference is filled with educational as well as social and networking opportunities throughout the Conference schedule. On Monday evening make your plans now to enjoy an evening of food and music at the Fulton Theatre, a Conference-wide event compliments of *CS McKee*. Please be sure to thank all of our Conference sponsors for their commitment to and support of CCAP. They help make our Conference the high quality event that it is.

Other activities at our Conference I invite you to participate in are the annual golf outing on Sunday sponsored by *Mazzitti & Sullivan EAP Services, Inc.*, *CGL Companies* and *Scott + Scott Attorneys at Law, LLP* as well as a walking tour of Historic Downtown Lancaster. The Annual Conference is an excellent time to network, get reacquainted with friends, and meet our newly elected colleagues. It's also a great opportunity to meet with vendors who are happy to share useful ideas and information to help us serve our counties.

Please join me in taking time during the Conference to visit the vendor booths, not only for the valuable information they will share, but there are also prize drawings sponsored by the various vendors. Be sure to visit the booths and enter your name for a chance at winning the great prizes offered!

Tuesday evening we will be holding our Annual Dinner and Awards Ceremony where we honor our award recipients for their efforts to support county government. On Wednesday morning we will close out our conference with our Closing General Session.

On behalf of the CCAP Board of Directors, and the Lancaster County Commissioners, Josh Parsons, Ray D'Agostino, and John Trescot, I invite you to the 2022 CCAP Annual (in person) Conference in beautiful Lancaster County!
