# Sponsorship Programs

The County Commissioners Association of Pennsylvania (CCAP) is a statewide, nonprofit, nonpartisan association representing the commissioners, chief clerks, administrators, their equivalents in home rule counties, and solicitors of Pennsylvania's 67 counties.

CCAP understands the importance of building relationships between companies and county government officials. Our goal is to provide opportunities for your company to gain exposure in front of elected officials.

## **What opportunities exist?**

There are many opportunities available to companies and organizations: associate membership, Technology Vendor Partnership, Conference attendance and sponsorship, Leadership program sponsorship, and advertising in *Pennsylvania County News*.

These bundled, Annual sponsorship packages, are offered to give companies and firms the ability to have year-round exposure to county officials while helping to support multiple CCAP events and programs throughout the year.

## **What is the benefit to your company or organization?**

All opportunities are offered to allow you to connect with county elected officials in Pennsylvania. With an Annual Sponsorship package, you are able to support and network with CCAP members throughout the year. The Annual program will minimize your costs by offering a comprehensive package rather than charging on a per-event basis. Also, budgeting for your firm will be easier with this annual approach.

## **Package versus a la carte?**

The bundled sponsorship packages will give you a presence with the county officials of Pennsylvania all year. However, a la carte opportunities are available for those companies interested in marketing at a single event.

## **Which annual vendor package level is right for your firm?**

Three levels of sponsor packages provide year-round exposure at CCAP events. The variety of packages will fit every budget.
