

Verification of Attendance - Virtual and Webinar Event Recordings for Elective Course Credit

Thank you for your participation in the CCAP Academy for Excellence in County Government and for your interest in pursuing elective course credit for viewing recordings of CCAP webinars or virtual events. To receive elective course credit (one credit per hour presentation), you must view the recorded session in its entirety. Complete the form below indicating each session which you completed. When the form is received, we will process the credit(s) earned on current transcript for program participation.

For program information, contact Mandi Glantz at (717) 736-4739 or mglantz@pacounties.org.

The Academy for Excellence in County Government Committee applauds your commitment to the program, its policies and your colleagues. To promote maximum learning amongst attendees, full attendance at each workshop or breakout session is expected and required. Please note the Academy is a learning community in which being on time, not leaving prematurely and participating fully are crucial to the dynamics of the learning process. Commitment to the process of creating a community for inquiry, receptivity and discussion should be respected. Thank you for your cooperation and understanding of this attendance policy.
